

« Nature and Motorbike-trial bike in the Country of the Bear » The Stays of Vacation 2017

For the 7/14 years, recognised stays Youth and Sports

CIERP-GAUD (31 440) in the district of St B  at

"I saw the bear, but by crossing the stream I saw the 3 small does ! They must have laughed when Robin fell in water during this running of orientation ! " Elsa left these some words in the visitors' book of the 1st school of Pyrenean motorbike. She told how she discovered the technology of said use "trial bike" of a motorbike, on the obstacles of this big natural jungle which characterizes the ground of education of the school. It as noticed as they can learn many things about the fixing things, on the road safety « even without going on the road! », by having a good time on a motorbike-trial bike with his companions and mates of holiday camp.

PROGRAM

This stay, it is a daily adventure in a small structure, where they discover a particular manner of using motorbikes made for the practice of trial bike. 7 sessions of motorbike, divided over week, offer a progressive education, very play and adjusted to the different levels of the trainees. Motorbikes are allocated to these pupils according to their aptitude, to optimize in complete safety, pleasure and progress.

This pedagogic frame is the result of the experience of a structure adapted to all and all, created in 1987, agreed by the ministry of Youth and Sports, which sees regularly from sportsmen of high - to level being next a multitude of young church-goers in grass.

ACCOMMODATION

It is offered under cloth, in a nice natural site. Security and harmony of life are favoured for the best comfort. To sleep, the trainees benefit for 2 of the tent 4 places. Bathrooms are nearby. Restoration and animation take place in 2 big very lit and distinct tents.
